

TUATARA 2 X 2M AWNING FRONT/SIDE WALL

Model No. KC077-067

INSTRUCTIONS

1. First, set up your Tuatara 2 x 2m Aluminium Hardshell Awning.
2. If using as a front wall, unfold the wall and locate the top edge with the sail track fixing.
3. Slide the sail track fixing into the front sail track of the awning. You can do this from either the left or right side.
4. If using as a side wall, attach speed-clips to the side support poles.
5. Once the wall is in place, secure the hook and loop tabs to the vertical support poles of the awning.

To pack away, simply reverse the above steps. Do not fold away without removing the wall. Do not pack away damp, dirty or wet. Use a soft brush and water to clean.
